The Cause of Baldness by Lawrence Cutsinger

Top Ten List of

"Alternative uses for rugs."

- #10. Doormats for small dog houses.
- #9. Designer camouflage for duck hunters.
- #8. Exotic steering wheel covers sold at Art auctions.
- #7. Fearsome hats worn by military base guard dogs.
- #6. Bogeymen covers to keep kids out of Cookie Jars.
- #5. Conversation piece doilies for coffee tables that have a copy of the latest Celebrity best selling book.
- #4. Stitch together to make "The World's Ugliest Quilt" and hang in the foyer of the U.S. congressional building as a reminder that appearance is not all that is required.
- #3. Send a duplicate to the United Nations.
- #2. Include in dictionary as a synonym for ideas or anything else that is very "ugly". Example: "That's a hairpiece!"
- #1. Create designer fur coats for those who already have everything else.

Another Top Ten List of

"Alternative uses for rugs."

- #10. Instead of *sharp wood block crack!* heard in Senate and House chambers, Monday morning "*Gavel Whacking Pads*"
...as a consideration for Members *obligated* to weekend *party*°°° with Lobbyists.

"Again? Darn! What time?"

"Hi, honey. Another party next weekend...
Yes, I know your mother is flying in..."

"I know, I know...but our lifestyle *depends* on it..."

"Absolutely not! She'd make a folksy remark
and we'd be on the plane and living with her again!"

- #9.** Exercise mats for Pet Rocks.
- #8.** Doorknob covers in Five Star Hotel suites...with spandex so they can be sent to a Salon for washing and grooming.
- #7.** Hazing Hats worn by rich Fraternity pledges instead of the traditional beanies.
- #6.** Elbow cushions for Library of Congress librarians, visiting scholars, and the Vice President.
- #5.** Tax deductible security blankets donated to animal shelters for orphan raccoons.
- #4.** Earmuffs for the filthy rich.
- #3.** Wall covering for VIP prison cells.
- #2.** Chin rests for Concert Violinists.
- #1.** Winter hats for "bald is beautiful" aficionados.
(Please donate used eyeglasses at . . .)
